

Mariano Malvica

DJ, producer and multi-instrumentalist

Mariano Malvica is a DJ, producer and multi-instrumentalist born in Mar del Plata, Argentina. With over twenty-five years of making music —first in bands and live formats, and since 2018 in electronic music— he has shaped his own sound within progressive house, with melodic and organic undertones. His productions have been released on labels such as BCSA, Magnitude Recordings, Ah Digital and Droid9 South America, and have received support from artists including Hernan Cattaneo, John Digweed and Guy Mantzur. He is the co-founder of Marva Records, a label dedicated to new sounds and emerging artists.
